WITH YOU EVERY MILE

This is a brand born with a dedication for pure performance. It’s a love for people who love speed. A brand raised with the belief that it’s not just about moving faster, it’s about being faster, every single time. It’s for those who truly matter. That’s why our team is made up of expert technicians who know your make and model first. And it’s why our after sales care is just as strong. We offer repair, maintenance, and parts for your vehicle. We’ve even expanded our services to include personalized services like Mopar Vehicle Protection, Express Lane Service and Mopar Owner Connect — a secure “owners-only” Web site. In short, Mopar is not just in support of your vehicle, but in your total ownership experience.
TOUGHEN UP WITH JEEP PERFORMANCE PARTS

Serious off-roaders, now it’s easier than ever to take your Jeep vehicle to the next riding level. Mopar and the Jeep brand have forged an exciting partnership that will make the hearts of hard-core trail hounds beat a little faster. Introducing a portfolio of factory-engineered products that are specifically designed to enhance the off-road performance of 4WD Jeep vehicles. From winches to axles, from suspensions to rock rails, these extreme parts have been gathered together to make it easier to kick your off-road capability up a notch or three. The Mopar Off-Road Division dedicates its full attention to developing this line of serious components that give hard-core Jeep 4WD enthusiasts the fortitude to go wherever the going gets tough.

2-INCH LIFT KIT IN CRATE. Hit the trail or daily commute with our 2-Inch Lift Kit. This kit provides excellent handling both on-road and off. Accommodates 35-inch tires for added capability and a great look. Kit is completely engineered by Jeep Performance Parts engineers to be the best no-compromise lift kit available for your Jeep Wrangler.
A. **MOPAR® WARN® WINCHES .** (1) No jam is too tough! Our extensive lineup features five winches. Each winch has a sealed, water-resistant, die-cast body structure and includes wired remote control and a hawse fairlead. Optional synthetic winch line and winch accessory kits available.

B. **COLD AIR INTAKE KIT .** (2) With an aggressive sound, the intake system provides performance you can hear and feel. The Cold Air Intake Kit includes all necessary mounting hardware and a cleanable high-flow filter.

C. **RUBICON® X REAR BUMPER.** This original equipment Rubicon X Rear Bumper not only looks great but, with added steel reinforcement, is stronger than the standard plastic bumper and provides extra protection. Works with Tow Hooks and Hitch Receiver.

D. **TOW STRAP KIT.** Come to the rescue with this 25-foot-long tow strap that gives the tow vehicle extra leverage when extracting stuck vehicles. This kit comes with a heavy-duty zippered bag, tow strap, two steel clevis shackles and gloves.

E. **HEAVY-DUTY STEERING STABILIZER KIT .** (2) Steady as she goes. This kit works as a shock absorber for the steering system in your vehicle, minimizing road vibration in the steering wheel. This heavy-duty version replaces the production steering stabilizer and provides more control.

F. **SUSPENSION LIFT KITS .** (2) These custom lift kits are designed especially for your Wrangler to handle serious off-road trails, giving you the benefits of increased ground clearance and great off-road articulation. The lift kits are available in a variety of heights and are perfect for running larger tires, and include springs, specially tuned shocks and steering damper. The kits are also designed to maintain your Wrangler’s handling for better on-road performance.

G. **WINCH RECOVERY GEAR AND BAG.** This off-road recovery gear kit is a must for any Jeep® owner. Kit includes heavy-duty snatch block pulley, 30-foot recovery strap, tree trunk protector, a pair of D-rings, winch-line dampener and recovery gloves. Also includes a durable bag, that features the Jeep brand logo, to keep your gear neatly organized and ready when you need it.

H. **SPARE TIRE CARRIER AND OVERSIZED WHEEL MOUNT .** (3) The Spare Tire Carrier provides heavy-duty tailgate reinforcement so you can safely carry oversized tires. It allows you to operate the tailgate with one hand and still carry your larger tire and wheel. This production latch means things are locked in place and no rattling. An optional tire mount holds large offset wheels, and is sold separately.

I. **YOKE KIT .** (2) Allows the use of the Jeep® Performance Parts Double-Cardan front driveshaft. Size is for the 1310 U-Joint. Complete with spline seal and nut.

J. **SKID PLATE.** Skid Plate is constructed of heavy-gauge steel to help protect the steering gear when traveling off-road. E-coat and Satin Black powder-coat paint meet our stringent corrosion requirement.

K. **RUBICON X FRONT BUMPER.** Maximize your maneuverability by adding this steel-reinforced, winch-capable, original equipment, Rubicon X Front Bumper made specifically for heavy-duty performance. Removable ends allow you to convert to a high-clearance narrow-profile bumper. Optional winch mount is available, sold separately. Choose long configuration (SHOWN) or short configuration.

(1) Heavy-duty battery, springs and shock absorbers recommended for winch installation. Winch mount required for mounting. (2) Mopar Performance Parts are sold “as is” unless otherwise noted. (3) Late availability.

HEATED WASHER SOLVENT KIT. This system aids in the removal of snow, ice, frost, grime and bugs. Once vehicle is at proper operating temperature, it will deliver the heated washer fluid on demand, in any climate.

KICKER® SOUND SYSTEMS. KICKER speakers and upgrade packages have been designed specifically for your Jeep® brand vehicle, so you get automotive sound the way it was intended. And best of all, KICKER parts install easily: bolt them in and then plug them in. No cutting or soldering is required!

MOPAR® PHONE. It helps simplify driving by letting you keep your eyes on the road and your hands on the wheel. Mopar Phone is an in-vehicle, voice-activated communication system that allows you to talk on your Bluetooth® compatible phone virtually hands-free. Call contacts in your internet address book® just by saying their name.

MOPAR® WIFI. Get high-speed internet in your vehicle. Mopar WiFi lets you receive broadband Internet, allowing passengers to use the Web, social networks, look up directions, check email, play online games or download music. Work with any Wi-Fi enabled device. No cell cards or software required. WiFi subscription required; ask separately.

REMOTE START. Hit the ground running with the ability to start your vehicle from a distance with a touch of a button. The system operates seamlessly with your vehicle’s factory electronic security system.
